

# Heritage Ministries

Dear Overseer, Pastor, and Heritage Ministries Directors:

First, let me say "Thank you" to all who have continued to faithfully support our Heritage Ministries Membership plan, formerly known as C.P.M.A. It is once again time to begin our Heritage Ministries Association membership campaign. We are continuing various levels of membership, along with newer options to help us with ongoing, even monthly, donations. The enclosed flyer outlines the benefits of each level of membership. Heritage Ministries Association Memberships assist in maintaining and improving Fields of the Wood, First Assembly House, Shearer Schoolhouse site, the Holy Ghost Marker, and the Archives.

During 2021, we reviewed all we had achieved at the park in the past 5 years. It is with great joy that I inform you we have completed more than 20 major projects at a cost of more than \$200,000 in that time! Some of the more noticeable projects have been updating the Bible Monument face atop Ten Commandment Mountain and renovating the kitchen in the café. But many more projects have gone unnoticed as they included new roofing, painting, extensive plumbing work, and other infrastructure needs. So while we have completed many projects, unfortunately much of what we've spent has gone to projects that simply aren't noticeable, but are needed to keep the park up and running. It is my prayer that we will soon be able to complete several more visible projects. This year you will see a large mural on the back of the Bible Monument that will tell the story of the park. We are also currently looking into renovating the front entrance arches.

There are several ways you can help us continue to renew Fields of the Wood. If you'd like to submit a donation outside of your membership contribution, you can mark a check with "FOW RENEW" in the memo line. We have also recently simplified the donation process with a website, [fowrenew.org](http://fowrenew.org). Anyone who wants to give to the renewal projects can go to [fowrenew.org](http://fowrenew.org) and simply click the donate button.

Please help us promote our efforts in your area of service. If you need additional flyers or brochures, please contact us ([jharris@cogop.org](mailto:jharris@cogop.org)). Please know we are praying for you, pastor, and for your entire church body. We trust God will bring forth an abundance of fruit in your area this year.

Please note: Heritage Ministries Association fees, FOW Renew gifts, and general donations are tax deductible, less the fair market value of gifts received.

Thank you in advance for your faithful support of our heritage in the Church of God of Prophecy!

In Christ,

Darren Schalk,  
Heritage Ministries Coordinator
